1. Cake should be placed on a **very firm** disposable surface, (**foam core, strong cardboard, plywood, particle board, etc.**) cut parallel to the shape of the cake and must be 1 ½” on each side from the base of the border (not the cake). The surface should be covered. Freezer paper is not advised because it absorbs grease. **The cake board must be covered with a food safe material, such as aluminum foil. If you use decorative or gift wrap paper or fabric, it must be covered in food quality plastic wrap.**

2. It is recommended that members learn the basic cake decorating skills included Units 1 – 3 before taking any of the more advanced units. Youth may then select the unit which includes the skills they wish to learn. Units 4 – 6 do not have to be taken in order as numbered and are for Juniors, Intermediates and Seniors. Units 7 – 9 do not have to be taken in order as numbered and are for Intermediates and Seniors. Units 10 – 12 are for Senior members only.

12. Once a 4-H member has received a placing in the top 10 or a grand champion at State Fair, he or she needs to move to another unit because the skills in that unit have already been mastered. Also, if a member repeats a unit, he or she must show what new skill was learned.

The following dress code has been developed for 4-H members and leaders to exhibit their best appearance during any 4-H events or activities. If you choose to dress inappropriately, you will be asked to change. Please be advised that the following dress code will be enforced for all 4-H members attending 4-H events and activities.

- Excessively baggy or tight clothing which advertises gang symbols or affiliation is prohibited.
- Items of clothing which expose bare midriffs, bare chests, undergarments, or that are transparent (see-through) are prohibited. Tank tops with straps wider than one inch are permitted. - Hats need to be removed for meetings, workshops, meals, and other times when asked to remove them.

IAFE Code of Show Ring Ethics

Exhibitors of animals at livestock shows shall at all times deport themselves with honesty and good sportsmanship. Their conduct in this competitive environment shall always reflect the highest standards of honor and dignity to promote the advancement of agricultural education. This code applies to all exhibitors who compete at the Larimer County Fair. All leaders working with 4-H exhibitors are under an affirmative responsibility to do more than avoid improper conduct or questionable acts. Their moral values must be so certain and positive that those younger and more pliable will be influenced by their fine example. Exhibitors who violate the code of ethics will forfeit premiums and awards and shall be prohibited from future exhibition in accordance with the rules adopted by the Larimer County Fair Board. Exhibitors who violate this code of ethics demean the integrity of all livestock exhibitors and should be prohibited from competition at all livestock shows in the United States and Canada.

The following is a list of guidelines for all exhibitors and all livestock in competitive events:

- a. All exhibitors must present, upon request of Fair and Livestock Show officials, proof of ownership, length of ownership and age of all animals entered. Misrepresentation of ownership, age, or any facts relating thereto is prohibited.
- b. 4-H exhibitors are expected to care for and groom their animals while at the Fair.
- c. Animals shall be presented to the Fair where they will enter the food chain free of violative drug residues. The act of entering an animal in the County Fair is the giving of consent by the 4-H exhibitor for show management to obtain any specimens of urine, saliva, blood, or other substances from the animal to be used in testing. Animals not entered in an event which culminates with the animal entering the food chain shall not be administered drugs other than in accordance with applicable federal, state and provincial statutes, regulations and rules. Livestock shall not be exhibited if the drugs administered in accordance with federal, state and provincial statutes, regulations and rules affect the animal's performance or appearance at the event. If the laboratory report on the analysis of saliva, urine, blood, or other sample taken from livestock indicates the presence of forbidden drugs or medication, this shall be prima facie evidence such substance has been administered to the animal either internally or externally. It is presumed that the sample of urine, saliva, blood, or other substance tested by the laboratory to which it is sent is the one taken from the animal in question, its integrity is preserved and all procedures of said collection and preservation, transfer to the laboratory and analysis of the sample are correct and accurate and the report received from the laboratory pertains to the sample taken from the animal in question and correctly reflects the condition of the animal at the time the sample was taken, with the burden on the owner, exhibitor, fitter, trainer, or absolutely responsible person to prove otherwise.
- d. At any time after an animal arrives at the Fair, all treatments involving the use of drugs and/or medications for the sole purpose of protecting the health of the animal shall be administered by a licensed veterinarian.
- e. Any surgical procedure or injection of any foreign substance or drug or the external application of any substance (irritant, counterirritant, or similar substance) which could affect the animal's performance or alter its natural contour, confirmation, or appearance, except external applications of substances to the hooves or horns of animals which affect appearance only and except for surgical

procedures performed by a duly licensed veterinarian for the sole purpose of protecting the health of the animal, is prohibited.

- f. The use of showing and/or handling practices or devices such as striking animals to cause swelling, using electrical contrivance, or other similar practices are not acceptable and are prohibited.
- g. Direct criticism or interference with the judge, fair or livestock show management, other exhibitors, breed representatives, or show officials before, during, or after the competitive event is prohibited. In the furtherance of their official duty, all judges, fair and livestock show management, or other show officials shall be treated with courtesy, cooperation and respect and no person shall direct abusive or threatening conduct toward them.
- h. No 4-H exhibitor shall conspire with another person or persons to intentionally violate this code of ethics or knowingly contribute or cooperate with another person or persons either by affirmative action or inaction to violate this code of ethics. Violation of this rule shall subject such individual to disciplinary action. The application of this code of ethics provides for absolute responsibility for an animal's condition by the 4-H exhibitor whether or not he or she was actually instrumental in or had actual knowledge of the treatment of the animal in contravention of this code of ethics.
- i. The act of entering an animal is the giving of consent by the 4-H exhibitor to have disciplinary action taken by the Fair Executive Committee without recourse against the Fair Executive Committee. The act of entering an animal is the giving of consent that any proceedings or disciplinary action taken by the Fair Executive Committee may be published with the name of the violators in any publication of the International Association of Fairs and Expositions, including Fairs and Expositions and any special notices to members.
- j. The act of entering an animal in the Larimer County Fair is the giving of verification by the 4-H exhibitor that he or she has read the Code of Show Ring Ethics and understands the consequences of and penalties provided for actions by the code. It is further a consent that any action which contravenes these rules and is also in violation of federal, state, or provincial statutes, regulations, or rules may be released to appropriate law enforcement authorities with jurisdiction over such infractions.
