FASHION REVUE REGISTRATION AND JUDGING

Fashion Revue gives participants an opportunity to develop an understanding of personal presentation regarding clothing, accessories and grooming and to gain poise in public situations by modeling the garment/accessory they made. Participants will model their garment/accessory and will be judged based on overall look and presentation. Fashion Revue is open to those in the Clothing, Heritage Arts and Leathercraft projects.

The 2020 Fashion Revue will be utilizing a virtual format. Participants will submit a written narration and a 1.5 - 2 minute video modeling their garment/accessory.

A narration may look like:

This winter, Gracie Richards will be ready for the holiday season wearing her favorite colors: hot pink and black. Gracie's wool suit includes a jacket of 70% wool fabric. Ms. Richards has accented her jacket with pink lapels and a bow closure. Gracie chose a black, pinstripe wool for her skirt and camisole. This skirt is accentuated with a ruffle and pink bow. To make the ensemble a custom fit, Gracie used tailoring and dress making techniques. Gracie plans to wear this outfit to holiday gatherings and the 4-H Leadership Conference in June. Gracie Richards is a junior at Horizon High School where she is an active member of the swim team. Gracie enjoys being a member of the Ramblers 4-H Club, an officer in the Larimer County Junior Leader 4-H Club and riding her horse.
